\_\_\_\_\_ Cultural Resources Survey Needed

\_\_\_\_\_ Avoidance-*DO NOT USE*

\_\_\_\_\_  
[for] North Dakota State Historic Preservation Officer

\_\_\_\_\_  
Date

**Disclaimer:** This approval is for *2011 emergency projects in North Dakota only*. It does not constitute approval for ND Department of Transportation/Federal Highway Administration (NDDOT/FHWA) projects. Any pits used for 2011 emergency projects that also are to be used for NDDOT/FHWA projects must be approved by the NDDOT Environmental & Transportation Services Division and must have a NDDOT Certificate of Approval for use on the NDDOT/FHWA project. This review is for cultural resources only and **does not** constitute review or approval for reimbursement by any state or federal agency.

# Material Borrow Location Compliance Form

## Instructions for Completion

**Use:** The form is intended to provide the information necessary for environmental and archeological clearances on borrow locations used as material sources.

**General:** NDDOT certificated pits have already been through this review. There is no requirement to complete the form if a certificated pit is used. To see a current list of NDDOT certified pits go to:

<http://www.dot.nd.gov/dotnet2/materialsource/certificatesofapproval.aspx>.

Unless noted all information on the form must be completed. Contacts are as follows:

NDSHPO, State Historical Society of ND Phone: 701-328-3577  
Review & Compliance Fax: 701-328-3710  
612 E Boulevard Ave  
Bismarck ND 58505-3710

**Survey:** For the purposes of this document, a survey means a Class III (pedestrian) Cultural Resources Inventory performed by a professionally qualified and permitted archaeologist. A list of permitted entities may be obtained by calling the ND SHPO at 701-328-2672. Send a copy of survey reports to FEMA for review. Additional information is available at:

<http://www.history.nd.gov/hp/PDFinfo/ND%20SHPO%20Guidelines%20Manual.pdf>
